WARE THEY STAND

SCORECARD FOR THE 112TH CONGRESS

With the pivotal 2012 elections on the horizon, it is essential that you make an educated choice on who will represent you and help lead the United States. November 6, 2012, will be one of the most important elections in our country’s great history. Your vote does make a difference.

As a merit shop electrical contractor and a member of the Independent Electrical Contractors (IEC), there are issues that directly impact your business.

This scorecard shows how your Representative and Senators voted on key issues that directly impact the merit shop philosophy and electrical industry. We hope you will consider these important issues, and make the commitment to vote in this year’s critical elections.

HOUSE OF REPRESENTATIVES KEY VOTES FOR THE 112TH CONGRESS

WORKFORCE DEMOCRACY AND FAIRNESS ACT (H.R. 3094)
House Vote #869; Passed with a 235-188 vote.
November 30, 2011
The National Labor Relations Board’s (NLRB) proposed rule for accelerated union elections that would drastically shorten the time employers have to present their case as well as the time for employees to ask questions and make an educated vote. Prior to the rule being delayed indefinitely by the U.S. District Court for the District of Columbia, the House brought this bill to the floor.

IEC’s Position: Supported H.R. 3094

COMPREHENSIVE 1099 TAXPAYER PROTECTION AND REPAYMENT OF EXCHANGE SUBSIDY OVERPAYMENTS ACT OF 2011 (H.R. 4)
House Vote #162; Passed with a 314-112 vote.
March 3, 2011; Signed into law by President Barack Obama on April 14, 2011
This legislation repeals the expanded IRS 1099 reporting requirements enacted as part of the healthcare reform law passed in 2010. This is a major victory for IEC members and small businesses around the country that would have been severely impacted by the new requirements.

IEC’s Position: Supported H.R. 4

H.R. 2587: PROTECTING JOBS FROM GOVERNMENT INTERFERENCE ACT (H.R. 2587)
House Vote #711; Passed with a 238-186 vote.
September 15, 2011
This act amends the National Labor Relations Act to deny the NLRB power to order an employer to close, relocate, or transfer employment under any circumstance. It was in response to the NLRB filing a complaint against Boeing for building a new plant in South Carolina, a right-to-work state. The plant cost millions of dollars and created thousands of jobs. The complaint was viewed as an attack on free enterprise and an over-exursion of power the NLRB.

IEC’s Position: Supported H.R. 2587

AMENDMENT 7 TO MILITARY CONSTRUCTION AND VETERANS AFFAIRS AND RELATED AGENCIES APPROPRIATIONS ACT, 2013 (H.R. 5854)
House Vote #302; Passed with a 218-198 vote.
May 31, 2012
Included in the Military Construction/Veterans Affairs spending bill was an amendment, introduced by Rep. Michael Grimm (R-NY). This amendment would remove language from the bill that would prevent project labor agreements (PLAs) from being required. In a surprising vote, the amendment passed the Republican-controlled House.

IEC’s Position: IEC Opposed Amendment 7 of H.R. 5854

Resolution Disapproval of the Rule Submitted by the National Labor Relations Board Relating to Representation Election Procedures (S.J. Res. 36)

Senate Vote #68; Failed with a 45-54 vote.
April 24, 2012
This joint resolution would negate a rule from the National Labor Relations Board's (NLRB) that accelerated union elections, which would drastically shorten the time employers have to present their case as well as the time for employees to ask questions and make an educated vote. Prior to the rule being delayed indefinitely by the U.S. District Court for the District of Columbia, the Senate brought this resolution to the floor to prevent the rule from taking effect.

IEC’s Position: Supported S.J. 36

Jobs Through Growth Act (S. 1720)

Introduced by Senator John McCain (R-AZ) on Oct 17, 2011. No Vote as of Print Date
This legislation reforms the tax code, cuts spending, and reigns in overregulation to help foster an environment in which the private sector can grow, invest, and create jobs.

IEC’s Position: Supports S. 1720

Protecting Jobs from Government Interference Act (S. 1523)

Introduced by Senator Lindsey Graham (R-AZ) on September 8, 2011. No vote as of Print Date
This act amends the National Labor Relations Act to deny the NLRB power to order an employer to close, relocate, or transfer employment under any circumstance. It was in response to the NLRB filing a complaint against Boeing for building a new plant in South Carolina, a right-to-work state. The plant cost millions of dollars and created thousands of jobs. The complaint was viewed as an attack on free enterprise and an over-exursion of power the NLRB.

IEC’s Position: Supports S. 1523

Representation Fairness Restoration Act (S. 1843)

Introduced by Senator Johnny Isakson (R-GA) on November 10, 2011. No Vote as of Print Date
This act amends the National Labor Relations Act to revise requirements for determination by the NLRB of an appropriate bargaining unit before an election of collective bargaining representation. It would reverse the NLRB’s decision in Specialty Healthcare and Rehabilitation of Mobile and rulemaking regarding proposed changes to procedures involving the election of collective bargaining representation.

IEC’s Position: Supports S. 1843
